Julius Caesar Play	May 24 (7:00 p.m.)
Graduation	May 30 (7:00 p.m.)
Last Day of School (Half Day)	May 31

Dear Parents,

This week we thought we'd just highlight some 6th grade basics and send a few reminders out in bullet fashion.

- **CSAP HELP NEEDED: 6th grade needs a parent volunteer to work with a small group of students during a break between CSAP tests. The dates are: March 22,23,24, 28, 29, and 30 from 11:00 until 12:00. Please contact Leslie Wells if you are able to help on any of these dates. Thanks!!**
 - Julius Caesar – Each student will need a complete, numbered, black and white copy of the Julius Caesar script. This is available on the 6th grade website as both a Word and PDF document. Students should have their scripts with them at school EACH day. If your student is not able to print a script, please have them contact Mrs. Wells.
 - Homework for 6th grade should average between 1 and 1 ½ hours of focused work at home. It is the expectation and hope that long-term projects (like book reports, science fair, and research papers) are broken up into smaller units and done a bit each day.
 - If a homework assignment is unclear to your student, please remind them to check their planner, check the website, ask a *responsible* classmate, and as a last resort, check with their teacher.
 - Please note the important dates for the rest of the school year that are listed above. We attached toe Human Growth and Development Parent Meeting with the Choir Concert to lessen the nights out for parents of choir members. At this meeting, we'll go over the curriculum for this unit and explain procedures and expectations for the class.

We hope you have a wonderful, safe, and restful spring break,
The 6th Grade Team
