Person of the Week

Eliza Ann

Hi, my name is Eliza Ann. I got my name from my Great, Great, Great, Great Grandmother. I have one sister. Her name is Emma. My favorite food is cinnamon buns. I like to do gymnastics. I started gymnastics when I was three. My favorite subject in school is math. One adventure I have been on is moving from North Carolina to here. Something no one knows about me is that I have been in a light house. The light house I was in is named Hunting Island. I was four when I went in it.
