March 8, 2007

Dear Student and Family,

We are working towards getting things back to normal after my absence. Thank you for all your work on the Fort Collins History projects the past several weeks. I have really enjoyed seeing the projects and presentations. We will keep the projects here for a couple weeks so I can view them for a grade and we will put the projects around the classroom and school library to share with others.

~ Mr. Derby

IMPORTANT INFORMATION

- Homework Due Tomorrow:
 - **Math:** HomeLink 8.7 (Fractions)
 - **Spelling:** Week 26 - ow and aw vowel digraphs. Write each word two times and complete the worksheet pages.
- Spring Break - March 12 to 16
- End of third quarter - March 30

Our Cultural Melting Pot

Our next planner unit is titled "Our Cultural Melting Pot." Throughout this unit we will inquire into immigration and contributions made by different groups of immigrants in American history. The central idea of this unit is to develop an understanding of how migration affects the world.

Specials Change

When we return from spring break, the second grade classes will change our schedule for a few weeks due to CSAP. To allow time in the morning for fourth grade to complete CSAP tests, we will trade specials times. The color days will stay the same, but we will have specials from 9:55 to 10:35 in the morning instead of our normal time of 2:20 to 3:00.

Next Week's Homework

- * **Math:** HomeLink 9.2 (Linear Measures)
- * **Spelling:** Week 27 - Color Words.

Celebrating Valentine's Day
