May 10, 2007

Dear Student and Family,

Our class earned a party at Pump It Up because we raised the most money of all primary classes for the Stampede. We will go to Pump It Up on the morning of May 25. A permission slip for this trip is in today's brown envelope. Please complete and return this permission slip by Monday. Students will need to have a sack lunch for this field trip as well as the others.

I have permission slips from all students for the Red Fox Meadows and Fort Collins field trips. The cost to ride the trolley, along with a donation to the Avery house is \$2 per child. If you have not already sent in \$2 for the Fort Collins field trip, please do so as soon as possible.

I also wanted to thank everyone who was able to come to Literacy Night on Tuesday. It was great to see all the kiddos share their work, and to see how proud they are.

~ Mr. Derby

FORT COLLINS FIELD TRIP

The second grade classes will have our Fort Collins field trip on May 17th. During this trip we visit the Avery house, ride the trolley, and participate in activities at the Fort Collins History Museum.

We will need some parent volunteers for this trip, so please send me a note or email if you are able to chaperone and would like to come along.

Volunteers must be registered with Poudre School District, or they will not be allowed to chaperone.

Students will also need a **sack lunch** of disposable items on this day. The cost to ride the trolley, along with a donation to the Avery house is \$2 per child. If you have not already sent in **\$2 for the Fort Collins field trip**, please do so as soon as possible.

MAP Tests

We completed the MAP tests for reading and math this week. Since this is a computerized assessment program, we are able to get results back quickly. I will have information about how your child scored on these tests along with the report card you receive the last day of school.

IMPORTANT INFORMATION

- Homework Due Tomorrow:
 - **Math:** HomeLinks 11.1 (Buying Art Supplies) and 11.2 (Comparing Costs)
 - **Spelling:** Week 35 - compound words and abbreviations. Write each word two times and complete attached worksheets.
